Maximize your potentials!

Don't be average!

The sad reality

- Most humans only use 10% of their potentials in a life time!
- The graveyard (cemetery) is the richest place on earth!
- Without maximizing potentials life may miss its purpose!

Your decision determines your destination!

Plan your time!

- Time is short
- “If you fail to plan, you are planning to fail!”
- The 5 Ps of success
- Be over prepared!
- “You can do anything, but not everything”

-David Allen

How Time Flies!

- **1 year, 12 months, 365 days, 8760 hours, 525,600 minutes, 31,536,000 seconds**
- **70 years = 25567 days**
- **70 years = 613608 hours**
- **70 years = 36816480 minutes**

Some Facts about Time Management

1. We all **waste** time.
2. We cannot **change** time.
3. We must accept this fact: time is the most **important** resource to mankind.
4. We cannot do anything to **increase** the quantity of time.
5. We can only **steward** time.
6. We can do anything, but we cannot do **everything**.
7. We must accept the fact that we all **procrastinate**

Time is money!

What is your priority? You have time for what is a priority!

You wont be young forever! The flower of your age!

Work hard

**"The heights by great men reached and kept,
were not obtained by sudden flight. But they,
while their companions slept, were toiling
upward in the night."**

-Henry Wadsworth Longfellow
